Oh Claremore High we'll stand by
you by being good and true,
We'll stand by you and help you on,
and see you through and through.
We'll carry on where some left off,
and give you all our might.
Oh Claremore High we're proud of
you, with colors red and white.

CO-EDITORS

This year was basically the same as any high school year; we studied--had fun, experienced sad moments of trial and error. There were games and dances; voices were hoarse from Pep Club rooting and singing. There were brief moments of glory for some of us in sports, musical and dramatic productions. All shared the hopeless reality of examinations and deadlines, the semester grades, the parking lot rush. These impressions are only a few that were packed into this full year.

Credit for the production of this book goes to the loyal Zebra Staff. The Staff, however, has furnished only the outlines of the story that we find when we turn these pages filled with warm smiles of friendship and many happy recollections. The rest is up to the individual. Underclassmen who return to CHS in the fall will continue to keep up the high standards of the school and strive for improvement. Graduates will go their separate ways using the knowledge they have gained here to reach their successes.

It is not today that you will appreciate the ZEBRA. Tomorrow, when it is not so easy to think back on 1963, we will treasure the memories this book has stored for us.

The following statement will always hold true:

"Tis pleasant, sure, to see one's name in print"

DEDICATION

MR. JOHN McKEEVER

As we go through life we will remember him not only in his office but also on the campus, at our pep assemblies and games, our plays and dances; for he is truly interested in all of our activities.

It is with affection and great respect that we proudly dedicate the 1963 Zebra to Mr. McKeever, our friend and principal.

OUR PRINCIPAL

As another year reaches its climax, I am pleased with the many achievements which will serve as an inspiration for other graduating classes.

COUNSELOR

MRS. NATHA CARMEN

Mrs. Carmen, as school counselor, is always glad to sit down with us and discuss our current problems, help us make decisions, and to understand more about ourselves. She encourages each of us to engage in lifelong planning and counsels us on how to achieve it.

NURSE

MRS. RUTH SANDERS

Mrs. Sanders is the nurse for all the schools in the Claremore system. She is in charge of all the medical supplies and is always ready to be of service to those in need of her.

BUS DRIVERS

Left to Right: Don Moore, Bob Jones, Harland Jones, A. C. Phillips, Murl Cline

CUSTODIANS

Left: O. D. Evans

Right: Mr. S. A. Millikin

Our two hard-working janitors deserve a great deal of credit for keeping our school in such fine condition. They perform such varied duties as cleaning up after dances, mending broken equipment, and mowing the lawn. These men are often called upon during the year, and they are always reliable and willing to help. To these fine men we extend our grateful thanks.

Find the trouble, Charlie?

Most Attractive, eh?

Don's you think the face needs improving?

Miss Frisbie, I'm innocent!

Is it really that good, Alan?

He doesn't look like much of an Ironman, does he, Coach?

Are you still using that greasy kid stuff?

Hitting the bottle?

Oh, so you like my hat.

My slip is showing?

H-E-L-P!!

He finally asked me!

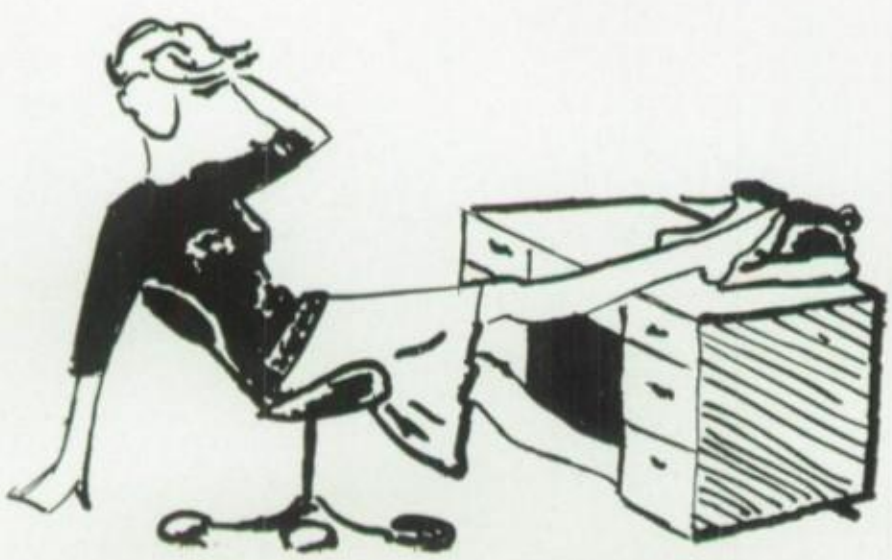
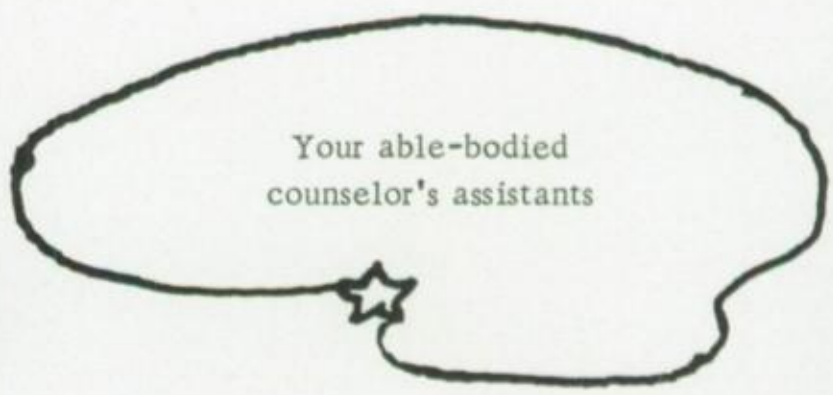
COUNSELOR'S OFFICE

The Counselor's office is dedicated to helping our student body help themselves. It is our aim and desire to provide both assistance and information to the students in selecting either a career or a college. Student assistants working with the counselor provide invaluable aid, both in office work and in providing a closer contact with the student body. The counselor's assistants grade and record all the tests that students take.





Shown above are the current members of the National Society. Fourteen new members will be selected in May and due to our early publication date we were unable to get a picture of the new members. Not pictured is Ann Gunter.
